

## Introduce your solution and captivate your buyers

The Woodworking Network Tech Review email is a perfect way to promote your technology. Our engaged audience of woodworking professionals are always looking for solutions to make their shops more effective and efficient. Just one email with the right solution can take them from curious bystander to your loyal customer.

Our designed template makes it turn-key and gives you the opportunity to present your solution and place it in the hands of more than 30,000 woodworking professionals, your customers.

### What's included:

- One tech review email.
- Set-up of email in designed template by our staff.
- Delivery to 30,000+ professional woodworkers.
- Supplied analytics report of performance, including number delivered, number opened and clicks/click-thru rate.

It's simple. You provide the elements and we do the work.

**RATE:** \$4,457 each

**Woodworking Network Tech Review**

**This new piece of technology will change the way that cabinets are made**

For 20+ years, this technology has been in development, but it was not until recent breakthroughs that Company name was able to put this new machine into production.
