

STAND OUT AMONG ATTENDEES BEFORE THE SHOW KICKS OFF

Sponsor a Woodworking Network Symposia

Join Woodworking Network and industry experts as a sponsor of one of two symposia during AWFS Fair week. These full-day education sessions will be held July 24, the day prior to the expo floor opening. These educational sponsorships present the ideal setting for your company to stand out among attendees even before the show kicks off.

Two uniquely different educational topics to choose from:

The Closets Symposium

The day-long curriculum will educate designers, fabricators, retailers and installers on the most current design, marketing, and business topics of relevance to these industry professionals seeking to profit from this growing and exciting market niche.

CNC Bootcamp

An intensive workshop for those who are relatively new to CNC manufacturing or looking to buy their first CNC, the day will cover selecting the right CNC machine, integrating it into your operation, choosing and using the tooling, dealing with dust collection and vacuum issues, and getting onboard with the software you need.

What's included with sponsorship:

Company logo displayed on symposium related signage onsite at the Las Vegas Convention Center.

Company logo included in pre-show digital promotions that will be sent out to the full AWFS distribution list.

Company logo displayed on all Woodworking Network promotional materials promoting the symposium.

Face-to-face entrance welcome at the symposium from sponsor.

30 second pre-event on stage welcome from the sponsor during the symposium.

Sponsors receive one free admission to the program. Pass can be used by sponsoring company staff member or given to a guest of their choice.

Sponsors will be given a tabletop exhibit located in the back of the room of the symposium to display brochures, literature gifts etc.

Sponsors will receive a list of the registrants to the sponsored program.
