

Help Promote Pennsylvania's Working Forests

PROPOSE A SIGN LOCATION

Support the statewide sign campaign!

Do you have a highly visible location where a promotional sign that showcases the benefits of our state's forests can be placed? Ideal locations include:

- 📍 Entrances/road frontage to forest product facilities
- 📍 Side of forest product trucks
- 📍 Game Commission/State Forest and Park trailheads/parking areas
- 📍 Private forestland alongside roads (i.e. beside tree farm signs)
- 📍 Forest product retail establishments—indoor or outdoor

Project partners have developed a series of 12 graphics that will be placed on weatherproof e-bonded aluminum of varying sizes (2' X 4'; 4' X 8'; or 5' X 10') throughout the state.

This project was made possible by matching Ag Promo grant.

Site suggestions can be emailed to

Jon Geyer, Director of the Hardwoods Development Council at jongeyer@pa.gov.
