Show Management, however, reserves the right to make reasonable shifts of booth locations.

2. Payment of Space. Invoices will be sent within five business days. The balance of the space rental charge will become due and payable on August 1, 2025. Applications submitted after August 1, 2025, must be accompanied by payment IN FULL of the space rental charges. WMS is entitled to retain all money paid at the time of downsize or cancellation and exhibitor is responsible for any balance dues during that period. No monies may be applied toward this years or future year's advertising, sponsorships, or WMS events.

If Exhibitor cancels its participation after August 1, 2025 or fails for any reason whatsoever to utilize the exhibit space(s), such cancellation or failure to utilize space shall be considered a default on Exhibitor's part, and Exhibitor shall remain liable for, and shall pay to WMS, the total (100%) rental amount.

4. Subletting. The exhibitor agrees not to assign, sublet, or apportion space, or any part thereof allocated to such exhibitor without prior written permission of Show Management.

5. Limitation of Liability. All property of exhibitor is understood to remain under exhibitor's custody and control, in transit to or from or within the confines of the hall, subject to the rules and regulations of the exhibition. Exhibitors are required to carry a certificate of insurance for \$2,000,000 CAD Commercial General Liability extended to include: Bodily Injury, Property Damage, Personal Injury, Contractual Liability, Non-Owned Automobile Liability, Products and Completed Operations, Cross Liability Clause, and a Severability of Interest Clause; Tenant's Legal Liability of \$100,000 CAD; and CCI Media named as an Additional Insured.

Exhibitor agrees to make no claim for any reason whatsoever against Show Management or service contractor for loss, theft, damage, or destruction of goods; nor for any damage of any nature, including damage to his business by reason of failure to provide space for his exhibit; nor for any action of any nature of Show Management; nor failure to hold the exposition as scheduled.

6. Exhibitors Authorized Representative. Each exhibitor must name one person to be his representative in connection with installation, operation, and removal of the company's exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. The exhibitor shall assume responsibility for such representative being in attendance throughout all exposition periods; and this representative shall be responsible for keeping the exhibit neat, manned, and orderly at all times. law, ordinance or governmental order of any kind, or when any such injury or damage may in any other way arise from or out of the occupancy or use by Exhibitor, its agents, servants, employees, contractors, patrons, guests, licensees or invitees of the Premises leased hereunder.

Such indemnification of WMS and Show Management by Exhibitor shall be effective unless such damage or injury may result from the sole negligence, gross negligence or willful misconduct of WMS and Show Management. Exhibitor covenants and agrees that in case WMS and Show Management shall be made a party to any litigation commenced by or against Exhibitor or relating to this lease or the Premises leased hereunder, then Exhibitor shall and will pay all costs and expenses, including reasonable attorney's fees and court costs, incurred by or imposed upon WMS and Show Management by virtue of any such litigation.

Property Damage. Neither WMS, Show Management nor Exhibitor shall be responsible for any loss of or damage to property of the other party hereto, including, but not limited to, loss or damage occasioned by theft, fire, smoke, acts of God, public enemy, riot, civil commotion or other insurable casualty, and WMS, Show Management and Exhibitor expressly waive any claim for liability against the other party hereto with respect to any such loss or damage. Accordingly, it shall be the responsibility of WMS, Show Management and Exhibitor, respectively, to secure its own insurance or otherwise protect itself and its property against such loss or damage.

Use of Certain Property. Exhibitor will assume all costs arising from the use of patented, trademarked, or franchised materials, devices, processes or dramatic rights used on or incorporated in the exhibitor's space.

The exhibitor agrees to remove his exhibit equipment and materials (including fluids) from the show building by the date advised by Show Management and such removal of materials will be in full compliance with any environmental and other pertinent requirements. If the exhibitor does not have an authorized disposal service company for the removal of fluids, materials and substances used during the show as may be required by local law, a list from Show Management may be obtained.

Such removal of materials will be at the sole risk of the exhibitor and in full compliance with any environmental requirements of any regulatory authority and as set out in paragraph 14 below.

Exposition as a whole. This includes, but is not limited to, an exhibit, which, because of noise, flashing lights, method of operation, display of unsuitable material, are determined by Show Management to be objectionable to the successful conduct of the Exposition as a whole. All demonstrations or other promotional activities must be confined to the limits of the exhibit space. Sufficient space must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities. Each exhibitor is responsible for keeping the aisles near its exhibit space free of congestion resulting from their booth activities.

Alcoholic Beverages. Alcoholic Beverages in the exhibition area are prohibited.

Signs & Illumination. Signs involving the use of neon or similar gases are prohibited. Electric flashing signs must be low intensity and require prior approval of the specifications of their use by Show

Booth Personnel. Booth representatives must be dressed in a manner deemed by Show Management to be in keeping with generally accepted standards of propriety.

Recruiting. Exhibitor shall not have in his booth any display or signs for purpose of recruiting employees.

Noise and Odors. No excessive noise or obstructive work will be permitted during operating hours of the exposition, nor will excessively noisy displays, nor exhibits generating objectionable odors be allowed.

Lotteries, Contests. The use of games of chance, lottery devices, musical instruments, carnival barkers and other sideshow practices is permitted only with written permission of Show Management.

Demonstrations, Souvenirs, Samples. All demonstrations and other sales activities must be confined to the limits of the booth. Distribution of samples, souvenirs, publications etc., is likewise limited to the booth confines.

Copyright Licensing. Exhibitor is solely responsible for obtaining any required licenses to broadcast, perform, or display any copyrighted materials including but not limited to music, video, and software. Exhibitor shall indemnify and hold harmless WMS, Show Management, and facility against cost, expense, or liability, including attorneys' fees, which may be incident to, arise out of or be caused by Exhibitor's failure to obtain requisite license.

13. Care of Premises. Exhibitor is liable for any damage caused to building, floors, walls, columns and to standard booth equipment or other exhibitor's property. Application of labels, tape, paint, lacquer, adhesives, or other coatings to building columns, floors and wall or to standard booth equipment is strictly prohibited.

14. Safety and Public Policy

Compliance. The exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations and codes of duly authorized local, provincial, and federal governing bodies concerning fire, safety and health and environmental requirements, together with the rules and regulations of the operators and/or owners of the property wherein the show is held.

Inflammable Materials. All booth decorations must be flameproof, and all hangings must clear the floor.

Electrical Code. Electrical wiring must conform to the National Electrical code Safety Rules. If inspection indicates that exhibitor's display is not in compliance with these regulations, or otherwise constitutes a fire hazard, the right is reserved to cancel all or such part of the display that is irregular and effect the removal of same at exhibitor's expense.

15. Union Labor and Official Contractor. Show Management will select official contractors to provide certain services and equipment to exhibitors at the show site during installation, exposition, and dismantling. Exhibitors will be advised of these contractors, their services and rates in the official Exhibitors Manual issued by Show Management.

Exhibitor agrees to abide by and comply with rules and regulations concerning local unions having agreements with the show facility or with authorized contractors employed by Show Management. Any dispute or disagreement between exhibitor and official contractor or between exhibitor and a tradesman or union representative, will be referred to Show Management for resolution which will be binding on all parties to the disagreement.

16. Equipment Display. Used equipment is not eligible for exhibition display without prior written permission from Show Management. Show Management reserves its right to have such equipment removed from the show floor. Any removal costs are the responsibility of the exhibitor.

17. Other Regulations. These rules and regulations are part of the contract for space, which becomes effective upon the acknowledgment of the receipt of the Application for Exhibit Space and appropriate deposit. Show Management reserves the right to make such additional conditions, rules, and regulations as it deems necessary to ensure the success of the exhibit. All amendments that may be so made shall be equally binding on all parties affected by them, as are the original regulations.

18. Waiver, Assumption of Risk & Release. Show Management cannot prevent Exhibitor, its agents, servants, employees, contractors, patrons, guests, licensees, or invitees from exposure to, contracting or spreading of COVID-19 or any other communicable disease while attending or exhibiting at the Show. It is not possible to prevent the presence of Covid-19 or other diseases. Therefore, if Exhibitor chooses to exhibit at and attend the Show it acknowledges and agrees that it may be exposing its agents, servants, employees, contractors, patrons, guests, licensees, and invitees to COVID-19 and/or increasing such party's risk of contracting or spreading COVID-19 or other communicable diseases. Exhibitor understands and acknowledges that contracting COVID-19 includes the risk of grave illness and injury, including, without limitation, death. Exhibitor hereby acknowledges and agrees that it has read and understands the above warning concerning COVID-19 and communicable diseases and hereby choose to accept the risk of contracting COVID-19 on behalf of itself and its agents, servants, employees, contractors, patrons, guests, licensees, and invitees in order to exhibit at and attend the Show. The value of exhibiting at the Show is such that Exhibitor accepts the risk of being exposed to, contracting, and/or spreading COVID-19 or other communicable disease in order to exhibit at and attend the Show. Exhibitor hereby forever releases and waives its right to bring suit against Show Management and their respective owners, officers, directors, managers, officials, trustees, agents, employees, and other representatives in connection with exposure, infection, and/or spread of COVID-19 or other communicable disease to Exhibitor or its agents, servants, employees, contractors, patrons, guests, licensees and invitees while attending or exhibiting at the Show. I understand that this waiver means Exhibitor gives up its right to bring any claims including for personal injuries, death, disease or property losses, or any other loss, including but not limited to claims of negligence and gives up any claim it may have to seek any damages whatsoever, whether known or unknown, foreseen, or unforeseen.
