

**Cabinet Doors & Drawer Boxes**

# PRODUCT GUIDE

**CRAFTSMANSHIP. SERVICE. QUALITY.**  
SINCE 1995

## COMPANY HISTORY

Since opening in 1995, Corona Millworks has grown into a leading supplier of Cabinet Doors, Drawer Boxes, and Components to the cabinet industry.

CMW continually strives to provide excellent quality, a broad selection, and superior service. This is done in the true spirit of partnership and desire to build long term relationships in the cabinet industry. All products are manufactured from the finest materials and each order is custom produced to your specifications. We fabricate all essential pieces for your residential and commercial applications at our Southern California facilities.

From mill to delivery, Corona Millworks is the #1 source for craftsmanship, service, and quality to satisfy all your cabinet door and component needs.

# PROUDLY MADE IN THE USA SINCE 1995

**PUR** GLUELINE

E-Series doors and drawer fronts manufactured by Corona Millworks feature a nearly invisible glue line.

Our IMA Novimat Contour edge bander uses less glue and provides better penetration without losing the strength of the bond. PUR (Polyurethane) adhesive can be up to six times more moisture resistant than EVA glues, and possesses a faster curing time.

PUR adhesives are unfilled, produces tight joints and is transparent so it can be used with edge banding of almost any color. Additionally, these doors are more resistant to heat, water, moisture, and steam.

## AN EXCELLENT ALTERNATIVE TO PAINT & STAIN

Corona Millworks Thermofoil Series Doors do not chip or flake and are uniform in color. These doors are available in a wide range of colors, finishes, and textures. From solid colors, to wood grains, to high-gloss options we offer finishes to fit most any design style.

Rigid thermofoil doors and drawer fronts are composed of an MDF core with a thermo wrapped vinyl covering. If cared for properly these doors will provide years of long lasting use and beauty. Because these doors do not have to be stained there are no harmful environmental emissions either.

# DOVETAIL & DOWEL DRAWER BOXES

## SIDE MATERIALS

### Prefinished & Unfinished Plywood

- 1/2" or 5/8" Baltic Birch

# NOTCH & DRILL YOUR BOXES

To provide a quick and easy installation, Corona Millworks can construct drawer boxes that are notched & drilled at the factory for use with under-mount drawer slides.

Clips can also be pre-installed for your convenience.

## SLIDES & CLIPS

UNDER-MOUNT & SIDE-MOUNT  
OPTIONS AVAILABLE

## LASER LOGO ENGRAVING

Go ahead and sign your work.

Give the lasting impression of a custom crafted drawer box by leaving a signature of your craftsmanship with your company logo.

For the best results we recommend laser engraving on solid wood and plywood materials.

*\*There is a one-time laser logo setup charge.*

# COMPONENTS BASE CABINETS

MADE TO ORDER

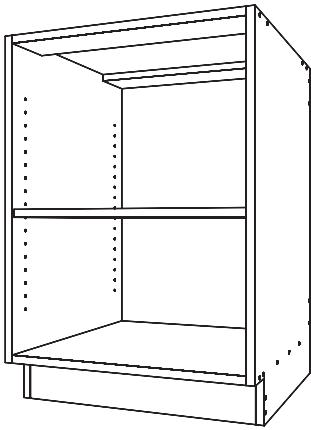

## COMPONENTS & CABINET PARTS

The Corona Millworks cabinet library provides a wide selection of CNC manufactured Base, Upper, Tall, & Specialty Cabinets. Parts can be fabricated in most sheet good materials and feature PUR edgebanding.

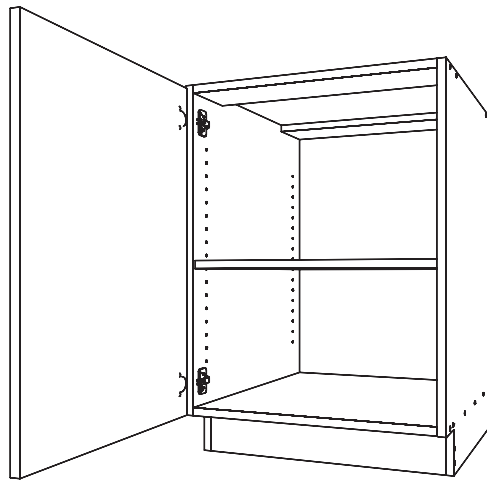

We manufacture our cabinets with no standard or stock sizes, thus every component order is produced to your specified width, depth, and height, then shipped to you ready to assemble.

## LET US CUT & EDGE BAND YOUR PARTS

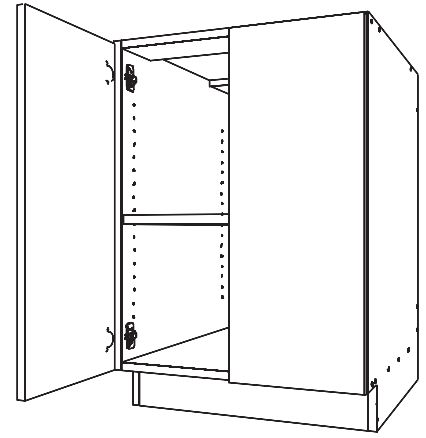

Spend more time selling and installing jobs by having Corona Millworks fabricate all our components.
